

**Please Note:** This document is intended to communicate restock dates for all materials regardless of whether or not they're currently in-stock. If you'd like to know whether or not a lens is in-stock **before** placing an order, you may submit the inquiry form at [TryPivotal.com/backorder](https://www.pivotal.com/backorder) to get current inventory status for specific lenses & powers. If you place an order and find that any lenses were out-of-stock, this document's purpose is to give you an ETA for when the inventory will be replenished.
